## Have You Signed Up For Fuel Rewards?

There's no limit to the number of Shop-All products you can purchase, and each item you buy means you'll pay less for your gas.

- Shop for Shop-All Rewards products marked with shell signs throughout the store and featured in our weekly ads.
- Save cents off per gallon on your qualifying purchases.
- The more Rewards products you buy each week, the more you can save on gas.
- Just swipe your Shop-All Rewards card at the pump at participating gas stations and watch the price you pay per gallon drop.

Redeem Shop-All discounts at this participating gas station:

### Turn Your Rewards Points Into Gas!

- You need groceries, you need gas, let us help you save during both purchases. Shop at Shop-All, earn cents off per gallon for your qualifying purchases and use those GAS discounts at participating stations.
- For more information about getting a Shop-All Rewards Card, check at the store's Customer Service Desk or ask your cashier as you check out. The Rewards Card is free! No purchase is necessary. If you are already a Rewards Card holder, then you are already earning valuable cents-off per gallon you can apply to gas discounts.
- You will earn a one cent per gallon discount on gas for every 75 Rewards points you earn. The Shop-All Rewards Card must be scanned in the store at the time of purchase. Shop-All reserves the right to alter or change the terms of the program at any time.

**Pay All Prompt:** Follow the prompts to obtain Shop-All gas discount. Swipe your card if it has a mag stripe or key in your 12-digit Rewards Card number on back of card. Choose to use your points to get your gas discount. Watch your price decrease. Select your form of payment and fuel grade. Dispense up to a maximum of 15 gallons of fuel per purchase. Receipt prints showing total amount saved.

- Shop for Shop-All Fuel Rewards products marked with shell signs throughout the store and featured in our weekly ads.
- The more Shop-All Fuel Rewards products you buy each week, the more you can save on gas.
- NO MINIMUM PURCHASE REQUIRED.
- To receive your gas discount at the pump, follow the prompts on the pump and swipe the card in the credit card slot on the pump. The screen then shows your potential gas discount per gallon by using your Shop-All Rewards. By using all of your discounts available we are able to MAXIMIZE your per gallon gas discount. This discount is good for up to 15 gallons and the pump will use all the available cents off per gallon discounts for 15 gallons of gas.

- After swiping you to using your Rewards, you will actually see the price on each grade of gas at the pump lower by your discount. Then select your payment method and grade of fuel and start pumping your gas at the discounted price. Again, the discount will be applied to a total of 15 gallons of gas and all your cents off per gallon available will be used to maximize your discount.
- If you have used all of your Rewards, no worries! just come back and shop at your local Shop-All where you can earn more discounts on qualifying purchases.
- Unlike some gas savings programs, you do not have to use your discounts at the gas station on the day of your store purchases. They do not expire. Let us at Shop-All help you save money on the pump! The more you shop with us, the more you can save on gas!

We look forward to seeing you soon!
