Recipe of the Week Homemade Peach Salsa

1. Chop tomatoes and transfer them to a large bowl.
2. Finely chop seeded bell pepper and jalapeño. Finely chop onion and transfer all your veggies to the bowl.
3. Dice the peaches. I used the slightly larger dice for peaches to give them more of the center stage in this salsa. No need to peel them. You won't notice the pits and the color is

softer with the peel on. Transfer peaches to your bowl.
4. Add 1/2 cup finely chopped dill and 2 Tbsp lime juice. 1/2 tsp salt and 2 1/4 tsp pepper. Add more salt and pepper to taste if desired. Fold everything together until well mixed and enjoy!
