

Wagoner's

YOUR HOMETOWN FOODSTORE

To our customers, friends and neighbors,

The Coronavirus pandemic has disrupted almost every aspect of each of our lives. It has hit the grocery business particularly hard. We are all learning how to deal with the repercussions day by day. This has been new to all of us and no one knows for sure when it will subside.

Due to the uncertainty of replenishment truckloads of groceries, we have reluctantly canceled this week's scheduled ad. Many of the manufacturers have notified us that their products would not be available. We felt that it was not prudent to advertise products that we may or may not be able to have on hand.

Rest assured that we are working round the clock to secure products and to have our stores stocked to the fullest possible. To reach that goal we are buying from new supplies and we are buying as much stock as possible from our current suppliers. So far we feel that we have done pretty well.

We would like to thank our amazing customers for their patience and understanding during this difficult time. Rest assured that we are doing everything we can to serve you.

Please share this notice and communicate with those in your life that may not have access to social media.

Sincerely,

Bob Wagoner and Crew
