# MARKET

Reed's Market will not have a flyer available this week as many products that were ordered are unavailable at this time. We apologize for the inconvenience and will continue to partner with our suppliers and find additional suppliers, when necessary, to keep our shelves stocked with products to the absolute best of our abilities.

## COVID-19

We are asking all customers to respect our request of having the opening hour of 7 to 8 a.m. each day reserved for those shoppers who are at a higher risk of severe illness by COVID-19, which includes older adults and those who have compromised immune systems. In doing so, our intent is to provide an opportunity for those individuals to be the first to shop after our overnight cleaning and stocking so they have increased access to essential products.

Reed's Market will continue our regular store hours for the foreseeable future.

**7am-9pm Sunday-Thursday 7am-10pm Friday-Saturday**  
We'll be sure to keep you updated to any change in these hours.

*Thank you for your understanding  
and continued support.*
