**WOW!**  
WHAT A  
POWER  
EVENT

Ben's Supercenter/Hardware Brown City & Marlette jointly participated in a twist on our traditional spring **STIHL Demo Day** event. With the event falling in the early time frame of the COVID-19, customers took charge of this sale event. To keep customer safety a priority, Ben's chose to extend the sale dates, deals as well as offer online ordering. Thank you to all of our Ben's customers for making this such a memorable event in a unique point in our history. In photo, holding the trimmer is Sharon McPhail next to Store Manager Vince Salcido of the Ben's Supercenter Marlette location.
