During the next several weeks our store will be converting from Shurline to Best Yet!, a Nationally recognized brand known for exceptional quality at affordable prices. During this process we will be offering Best Yet! products or Shurline products, depending on the inventory that is available. Quality and Value are at the core of the Best Yet! brand.

Due to the unprecedented effects on product supply caused by the concerns over the Covid 19 virus many of our "as advertised" items may become unavailable. We will continue to work with our suppliers to provide you, our valued customer, with the products that your family needs as quickly as they become available. Thank you for your patience and understanding as we all work together to get through this difficult time.
