**We Are Working Hard
to Meet Your Needs.**

Through this uncertain but certainly challenging time, we are doing all we can to keep our shelves stocked and maintain a safe shopping environment for our customers and employees. You can help by limiting your purchases to weekly needs, and shopping later in the day instead of at store opening to help reduce crowding. We are all in this together, and our entire team greatly appreciates your support, cooperation and patience as we work to remain open and continue serving the community.

Thank You
for Your Understanding and Support!
