SIGNATURE RECIPE of the Week!

London Broil

*All starred items on sale in this ad!

Ingredients

- 1 Boneless London Broil*
- 1/4 cup + 2 tablespoons olive oil, divided
- 1 tablespoon apple cider vinegar
- 5 tablespoons Worcestershire sauce
- 2 tablespoons soy sauce
- 2 teaspoons fresh lemon juice
- 4 garlic cloves, minced
- 2 teaspoons Dijon mustard
- 2 teaspoons brown sugar
- 1/2 teaspoon ground black pepper

Directions

- In a small bowl, combine the 1/4 cup olive oil, apple cider vinegar, Worcestershire sauce, soy sauce, lemon juice, garlic, Dijon mustard, brown sugar, and ground black pepper.
- Place the beef in a large resealable plastic bag or in a shallow dish.
- Add the marinade and seal the bag, removing as much air as possible. Or pour the marinade over the steak and cover with plastic wrap and marinate in the refrigerator for 1 hour or up to 12 hours.
- Preheat the oven to 425 degrees Fahrenheit.
- Heat the oil over medium-high heat in an oven proof skillet.
- Remove the steak from the marinade and pat dry with paper towels.
- Place the steak in the skillet and cook for about 2 minutes per side to sear.
- Place the skillet in the oven and cook for about 5-6 minutes or until the steak reaches your desired level of doneness.
- Remove from the oven and let the meat rest, tented with aluminum foil for 5 minutes. Slice thinly across the grain.
