A NOTE FROM JIM:

Since it is fall and winter is coming, I thought I should address the #1 question I get on the store: "When is the BBQ shack closing?" Answer, we don't know. We really do not know. We have never done this before and we are playing it by ear. If we can, we will stay open. We might sell items inside at the deli and smoke them outside? We are currently testing that strategy. Other changes that we've been asked about: yes, we do make our own soups! Stop in and try them. Indeed, buy for lunch or dinner! (team up with a baked potato and you have a good fast and easy meal!). Plan on going trick or treating this Halloween? Come to the store in costume from 6PM to 9PM for a treat! Other reminders: as winter is coming, remember that we will deliver your groceries (some limitations, but not many). Call 716-372-0880 and ask for Mary Ellen. Did you know? We use green electric sources and offset our carbon use for gas with tree plantings in Haiti. You can do it too! Every gas fill-up is \$3, \$10 for 1000 miles of flight, or roughly \$7.5 per year for natural gas to heat a house in the area). You can do this too via HaitianTrees.org or PositiveRipples.org (note trees on the donation). Ok, what else? BonaResponds is still trying to catch up on wheelchair ramps. We have been literally swamped with requests. I suspect we will not be done before winter which is not good since ramps can make a huge difference on safety, mobility, and peace of mind. But we can only do so much. You can help. Follow us on Twitter or FB and come volunteer with us! We are also planning an upcoming WarmSnugglyBlanket making day. Look for it soon! Quote of the week: "If our hopes of building a better and safer world are to become more than wishful thinking, we will need the engagement of volunteers more than ever." - Kofi Annan
