SECRET RECIPE

Did you know that the SWEDISH POTATO SAUSAGE that we sell every year in our famous meat department is "made from scratch" right here at Leon's? In fact, Leon himself developed the recipe that we still use today, over 70 years ago.

In a bizarre twist to the story the recipe was actually LOST when the last of Leon's original butchers, who had been making the homemade sausage every week for years, passed away. No one had written it down!

The recipe was uncovered two years later by chance when the old store safe was being relocated. During the move a hidden compartment was discovered and inside it was a small packet where all the tried and true secret store recipes were written down.

Since that day, the famous Leon's SWEDISH POTATO SAUSAGE has been made from scratch the way it was always intended to be, and sold in our meat department. It is just another one of those reasons why... some days being average is just not good enough, that's when you come to Leon's!

## WINE & CHEESE PAIRING OF THE WEEK

### ROGUE CREAMERY ROGUE RIVER BLUE

After decades of award-winning production, the newest owner of Rogue, David Gremmels, decided to take it up a notch. A fruity nuance is added to the dense, vegetal, smoky blue after several months of aging by wrapping the wheels with local pear-soaked grape leaves from a neighboring vineyard.

**\$6<sup>98</sup>** 6-9 oz. Ave. Wt. Wedge

### LAYER CAKE MALBEC

Layer Cake Malbec is ripened thoroughly on the vine. Harvested four to six weeks after all other neighboring vineyards; a crucial element to the wine's quality. Each cluster, once harvested by hand, is then destemmed and sorted - also by hand. Born at the base of the Andes and fed by the purest spring waters.
