## BOAR'S HEAD IS HEALTHY!

Did you know that when the FOODIES at Leon's first learned about Boar's Head products it was an instant fit for our store/delicatessen and what we stand for above all else... QUALITY and VALUE.

Boar's Head uses only the finest ingredients, just as they've done continuously for over a century. Boar's Head meats and cheeses contain no fillers, gluten, artificial colors, flavors or trans fat. They wouldn't put anything in their products that you wouldn't put on your own table.

Boar's Head uses pure beef, pork and poultry, and real spices. Their ham is trimmed by hand the old-fashioned way, and their turkey and chicken is oven roasted, just the way you roast yours. Most importantly they maintain unwavering standards of quality.

That's why some of America's most prestigious, quality-conscious delicatessens and gourmet stores like Leon's carry the Boar's Head Brand, but there is also another very important reason...TASTE. Come check it out yourself this week with this great sale and if you have never tried it before just let us know, we'd be glad to give you a sample!
