Talking Turkey

ASK A FOODIE

Did you know that NOW is time to reserve your FRESH TURKEY from Leon's? Although they don't fly, around Thanksgiving time at Leon's these birds sure do go fast!

There are many different types of birds to choose from this time of year, but if you have visions of that golden roasted centerpiece that tastes even better than it looks, don't be fooled into buying a cheap imitation.

Our FRESH TURKEY has never been kept below 26°F. They are minimally processed, not injected and since they have never been frozen they retain their own natural juices and flavors. These birds typically have a deeper richer taste.

Since at Leon's we take orders, you don't have to worry about thawing or finding a place to store your bird. Call the meat department at 402-488-2307 to reserve your FRESH TURKEY today! Some days being average just isn't good enough, that's when you come to

DUKES MAYONNAISE

Duke's Mayo elevates any dish. Duke's contains a higher ratio of egg yolks than most other commercial mayos, which makes it rich, creamy, and less likely to separate when heated. There's a wisp of tang from apple cider vinegar and a touch of paprika. Its texture is thicker and almost custard-like instead of simply slick or gelatinous. The FOODIES at Leon's think it might make a heckuva great cold turkey sandwich so we decided to run it on sale for our customers!

\$7.98
32 oz.

NORTHWEST BISCOTTI HANDCRAFTED PUMPKIN SPICE WALNUT BISCOTTI

Are you tired of hurting your teeth on the typical dry, hard biscotti that you usually find in stores? The FOODIES at Leon's have good news! Our new line of biscotti are baked to order with focus on taste, texture and dunk-ability! We have located them on our Mill bulk coffee rack since we think the two go together hand in hand. These are NOT your grandma's hard biscotti!

All varieties on sale!

**FRESH BULK
JERSEY WHITE
SWEET POTATOES**

This variety of sweet potato has a golden yellow skin at harvest time which fades to buff or tan after storage. The flesh color ranges from creamy white to bright yellow with an occasional pink variegation. Although Jerseys are sweeter than regular potatoes, they aren't as sweet as many of the orange varieties of sweet potatoes.
