### MEALS TO GO: CHICKEN SALAD

Did you know that the FOODIES at Leon's are keenly aware just how **BUSY** our customers are these days? Many times, we have heard appreciation for our **prepared meal replacements**. It seems like the need for them is only growing. When we decided to offer them, everyone in the Stage Door Deli agreed with Deli Manager/ Chef Marcus Rekart that they should be made "the Leon's way" made from scratch using the freshest seasonal ingredients we could find. That is why this week we decided to feature a few of them in our ad.

We understand their growing necessity, we also understand the need for these meal solutions to be healthy, tasty and a value... especially in today's economy. This week we wanted to showcase one of our favorites that we think checks all the boxes! It is easy, wholesome and healthy for those days when you need a fast dinner (or lunch) but you still want it to taste great.

At Leon's we have always carried our version of "made from scratch" Classic Chicken Salad. A few years ago when we combined with Ideal Market, we added their Cranberry Walnut Chicken Salad to our lineup. Then the FOODIES in the deli took over. Last year we added the Curried Chicken Salad and now those three have become standards that you can pick up every day. Made fresh, right in the Stage Door Deli.

This week we have decided to showcase our culinary talents in the deli by adding Smoked Chipotle to our chicken salad line up. We think you will enjoy their variety, their great flavors and especially appreciate the value of this time saving standard, especially while they are all on sale! That's why some days being average just isn't good enough, that's when you come to

They hand sort every mussel, clam and lobster, and prepare all their soups in small batches right in their kitchen on Holmes Bay, using all-natural ingredients. Pure and simple. ## RUSTICHELLA D'ABRUZZO

### PASTA

Imported from Italy! There is an enormous difference between traditionally made pasta and industrial pasta, and this can be fully perceived on the palate. Rusticella d'Abruzzo only uses the very best semolina from selected durum wheat. This flour with a high gluten content, mixed with pure mountain water, gives a unique firmness and flavor to the pasta. The precious bronze dies give the pasta just the right roughness to hold all kinds of sauce. The drying process is carried out slowly at low temperatures sometimes lasting as long as 50 hours. The FOODIES at Leon's made sure when we set this section to choose the very best imported pastas that combine both QUALITY and VALUE. A value every day but this week it will taste even better because it is on sale!

## ZIYAD

### PURE BEE HONEYCOMB

Dripping in sweet honey, fresh from the hive, honeycomb is honey in its most natural way possible. The honey within is pure in flavor, unadulterated and sealed in the waxy mold by the bees themselves. Eat by itself, drip the honey over muffins or toast, crush the honeycomb over fruit or ice cream, or serve in chunks with flavorful cheeses. Doing so may offer health benefits, ranging from a lower risk of infection to a healthier heart and liver.
