TRUFF ORIGINAL BLACK TRUFFLE INFUSED HOT SAUCES

Truff sits alone as the pinnacle of heat experiences with an intricate blend of ripe red chili peppers, real black truffle, organic agave nectar, and savory spices. They have meticulously crafted a flavor profile from ingredients normally reserved for fine tequilas, delicacies, and elegant dining experiences. Our favorite three uses are to add it to as a finishing touch on avocado toast, elevate your favorite slice of pizza or as a secret ingredient in your morning scramble.

Available in Hot and Hotter.

BACHAN'S JAPANESE BARBECUE SAUCE

Bachan's was founded by Justin Gill, a Japanese American who grew up eating and gifting friends his family's homemade sauce. It became so popular among those that tried it that he decided to launch a business with it. As it's a family recipe, Gill named the brand after his bachan, or his grandmother. The real reason you should buy Bachan's, though, is because this sauce tastes good on literally all food! It has the sweet rich flavor of teriyaki with the body of a BBQ sauce or glaze so it makes a killer stir-fry sauce, but it also elevates any vegetable (I especially love it on roasted broccoli). It is also a bowl-licking-good glaze on salmon.

SPENCE & CO. LTD. SMOKED SALMON PINWHEELS

Delicate, naturally smoked salmon is sliced thin and then hand rolled around cream cheese infused with chives. Twelve perfectly sized smoked salmon morels to a tray, this is an excellent smoked salmon appetizer when placed on a water cracker or slice of cucumber with fresh cracked pepper. A truly unique smoked fish delight!
