During the next several weeks our store will be converting from Sharfline to Best Value, a Nationally recognized brand known for exceptional quality at affordable prices. During this process we will be offering Best Value products or Sharfline products, depending on the inventory that is available. Quality and Value are at the core of the Best Value brand.

Due to the unprecedented effects on product supply caused by the ongoing war over the Covid 19 virus many of our key sweeteners may become unavailable. We will continue to work with our suppliers to provide as much product as we can and with the products that your family needs as quickly as they become available. Thank you for your patience and understanding as we all work together to get through this difficult time.
