Save BIG with MEGA meat sale!

Did you know that the MEGA meat sale is one heckuva sale? Every year near the end of the summer grilling season, our famous Butcher Block Meat Department runs a really terrific sale on our USDA Premium Choice "Aged to Perfection" beef and our premium pork.

The word MEGA refers to both the amount of fabulous Leon's meat you get and the amount of money you save. By selling the entire primal (which is a larger amount of meat), we are able to offer some fantastic prices so you can save more than \$2.00/LB. off our usual sale price!

The big pieces of meat are also more convenient because our butchers will cut it the way you like, cut it the thickness you like and then wrap it the way you like. This makes the meat freezer ready!

This is a great sale so take advantage of it today, for your convenience call ahead to eliminate your wait in the store 402-488-2307. Some days being average just isn't good enough, that's when you come to
