Flat iron is extremely tender with intense flavor which makes it an excellent choice for stir frying, fajitas or any recipe that calls for thin slices of beef. Our flat iron can also be grilled, broiled or pan fried. The fine marbling will cook into the steak, creating a juicy, flavorful steak when cooked to a perfect medium rare doneness!

## How to GRILL the perfect FLAT IRON for your SUMMER SALAD every time!

Did you know that the FOODIES at Leon's have perfected the art of grilling FLAT IRON STEAK? It's true, and with these few tips you will be grilling it like a pro every time!

First of all when grilling any steak it is a great idea to take it out of the fridge before you grill it. Letting the steak temperature stabilize for about 45 minutes will help it cook more evenly.

Second, if you are using a seasoning (our favorite is Misty's) rub the meat with a light coat of extra virgin olive oil, but do not apply the seasoning until right before grilling. The salt in seasoning will draw the moisture out and we do not want to do that - in fact we are all about keeping that moisture in.

Cook the meat for 5-6 minutes on one side and then flip and cook another 3-4 minutes. When done, immediately put the steak on a plate and cover with foil for ten minutes allowing the steak to rest. When you go to cut into it you will find the ends are a nice medium while the middle is a bit more pink. Remember to cut across the grain and into very thin slices for your perfect summer salad!

That's why some days being average just isn't good enough, that's when you come to *Leon's*

### INGREDIENTS:

- Leon's Flat Iron Steak (thin cut into bite sized)
- 1 Fresh Red or Green Leaf Lettuce (washed and torn)
- Red Onion small diced to taste
- Rogue Creamery Smoked Blue Cheese (crumbled, can sub feta)
- Portabella Mushrooms (sliced, sautéed in olive oil, garlic powder, salt/pepper)
- Fresh Cherry Tomatoes

### HOMEMADE DRESSING:

- Lucini Balsamic Vinegar (aged 10 years)
- Extra Virgin Olive Oil
- Pkg. Good Seasons Italian Dressing (mix dressing according to instructions)
- Water

### ROGUE CREAMERY SMOKEY OR OREGON BLUE CHEESE

4.2 oz.

Playfully inspired by Smokey Bear, this American original is cold smoked for many hours over Oregon hardwood shells. This process infuses the cheese with unique aromas of barrel-aged vanilla, bread pudding, and candied bacon. You'll taste spicy-sweet flavors of honey, apple, and nectarine, plus a mild "blue" finish.

### LUCINI AGED BALSAMIC VINEGAR OF MODENA

8.5 oz.

From Italy's iconic province of Modena, Lucini's balsamic vinegar is naturally aged to ensure balanced, fully rounded, complex flavors. Perfect for poaching seafood or adding to dressings.

## SUN GHEE

### GRASS-FED CLARIFIED BUTTER

Clarified butter or GHEE is made by separating butterfat from the milk solids and water in butter. Because the milk solids have been strained out, ghee has a much higher smoking point (465°F) than butter (302°F), and can be stored in a pantry when unopened, just like oil, because it's almost all fat. Both are solid at room temperature and, nutritionally, ghee and butter are almost identical—deriving almost 100% of their calories from fat. But, because ghee is clarified, it contains neither casein (the dominant protein in milk) nor lactose, making it easier for those with lactose intolerance to digest. The FOODIES at Leon's think Sun Ghee is the best tasting ghee on the market and it is also both better for you, and better for the farms it is sourced from.

## DUFFY'S

### CRUMPETS

A crumpet is a small griddle cake made from an unsweetened batter of water or milk, flour and yeast, most often eaten in the United Kingdom, the Republic of Ireland, Canada, and Australia. Duffy's Crumpets are a taste of UK made in the US. These fat-free, sugar-free crumpets are the perfect companion to your daily coffee (or tea). Toast until crunchy and golden brown. Then cover with your favorite spread.

## JENI'S

### FROSE SORBET

Sangria-style frozen rose with pear, strawberry, and watermelon. Refreshing and bright with a tinge of tartness. They start with rose from Peregrine Ranch in Sonoma Valley. A fruity rose filled with notes of bright strawberry, subtle blackberry jam, and hints of lemon zest. It's got crisp acidity and a dry, refreshing finish. Then Jeni's amps up all these flavor notes with added pear and strawberry, plus watermelon essence and lemon juice. It's a great top with your favorite sparkling wine, right out of the pint or even a bit more rose.

## WINE & CHEESE PAIRING OF THE WEEK

**MURPHY GOODE  
CABERNET  
SAUVIGNON**

This Cabernet Sauvignon is a great varietal expression of the world's favorite variety. It smells and tastes like black cherry with just a hint of black licorice. Chocolate and vanilla notes with a wee bit of toast appear along the finish. The perfect wine for grilling and chilling.

When translated into English, pecorino romano actually means "sheep cheese from Rome." The nutty, slightly salty taste pairs well with the boldness of the cabernet sauvignon. Additionally, the cheese's firmness is the perfect counterpart the wine's tannins, resulting in a harmonious contrast.
