Our brats come in many varieties: Apple/Gouda, Jalapeño/Cheddar, Ghost Pepper, Pumpkin Spice, Craft Beer & Stoneground Mustard or Original! They are all made from scratch and best of all...they are on sale this week in honor of Oktoberfest!

## WHAT IS A BIEROCK?

Did you know that a Leon's Bierock is a traditional German recipe that is very simply meat, onions, cabbage and spices wrapped up in bread dough and baked? Over the years many have asked just exactly how something that simple can end up tasting so delicious!

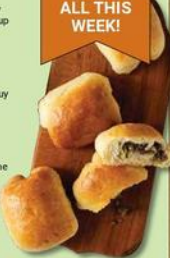

There really is no conspiracy or secret ingredient involved. The answer is as simple as the recipe. It begins with Leon's fresh ground hamburger and ends with the fact that each Bierock is rolled out and filled by hand right here in our deli. They are never frozen or mass-produced so every time you buy one it, it has been baked fresh earlier that day.

Bierocks are normally available twice a week (Wednesdays and Saturdays) in our Stage Door Deli, but in honor of Oktoberfest, this week we will be making them every day! They sell for \$5 each and they go fast! In fact, it is recommended that you call in and reserve yours ahead of time to be safe.

Perfect as a lunch, dinner, or pregame warm snack, a Leon's Bierock is in the round shape of a traditional German beef & cabbage burger and is quite a value considering their large size. It is also just another reason why some days being average just isn't good enough... that's when you come to

## STAGE DOOR DELI BRATWURST WITH SAUERKRAUT, APPLES, AND ONIONS

One of the all-time Stage Door Deli Fall favorites! Near as we can tell, something MAGIC happens when Craft Beer & Stoneground Mustard Brats slow cook in a blend of sauerkraut, Nebraska City Apples (when available) onions, caraway seed and thinly sliced potatoes. Although we can't explain why it is so good, we sure can TASTE that it is, but we don't want you to take our word for it... get down here and try it for yourself to be sure! It will be available each day this week right in our hot case or take some home for later from our grab and go!

## CHEF MARTIN

### ORIGINAL BRATWURST

Chef Martin was born to work with food. As a child in Austria, he lived above his family's butcher shop and started helping in the business at the age of four. This sausage is fully steam cooked, white in color and made of pork. It is mild in flavor and stuffed in a pork casing. Bratwurst is considered the original German sausage and has been around for many generations. "Brat" means emulsified meat and "wurst" means sausage.

## CHEF MARTIN

### BAUERNWURST

Making sausage was a family event shared by grandfathers, fathers, uncles and sons. As a young man, Martin attended culinary school and worked at a restaurant specializing in fine Austrian food. This sausage is fully steam cooked, lightly smoked, brownish in color and consists of beef and pork. It is medium spicy in flavor with a hint of garlic and ginger and stuffed in a pork casing. It has a medium coarse texture. This type of sausage comes from the German state of Thuringen.

The German Riesling's citrus and stone fruit notes along with balanced acidity and slight sweetness provide a freshness that plays well against the saltiness of the cheese.
