Tenderloin is considered the King of all meats because of its tender melt in the mouth texture. It makes the perfect centerpiece for any holiday dinner.

TOP 7% OF ALL USDA CHOICE BEEF!

What makes Leon's meat so good? As you can imagine, we get this question a lot! The answer really boils down to a few simple things that make a really huge impact on our meat's taste.

The FOODIES at Leon's have always known that great meals start with great ingredients. So, when it comes to Butcher Block Meats, it always starts with the QUALITY of the beef that our butchers purchase.

At Leon's we sell only USDA PREMIUM CHOICE beef which represents the top 7% of all CHOICE cattle. Most other grocery stores in Lincoln sell either a SELECT GRADE beef or a lower grade of CHOICE. Both are a lower quality of USDA classification, but that is only part of the story.

Once that high quality USDA PREMIUM CHOICE meat gets to our store, we AGE it for a minimum of 21 days in our meat coolers. This allows the meat to get more tender and for the beef flavor to fully develop.

It is a difference that you can TASTE, and it's another reason why people who try our Butcher Block Meat Department once won't go anywhere else for their meat...especially for Christmas!
