In an effort to keep our costs as low as possible Ford's will no longer be mailing ads. We will be using this savings on costs to bring lower prices to the shelves across the store. A smaller sales flyer with same date intervals will now be available in its place. This flyer will be available in store, on Facebook, on our website and on our app. You can also sign up on the website or app to have the ads emailed to you when they are released. We will continue to try and bring the lowest prices we can to our community.

We thank you for your dollars spent with us and greatly appreciate our customers.
