## Quality Meats

### Previously Frozen Babyback Pork Ribs

**3<sup>99</sup>**  
lb.

### Babyback Ribs

#### Ingredients

1 rack baby back ribs	1 tbsp garlic powder
2 tbsp olive oil	1 tsp salt
2 tbsp brown sugar	1 tsp black pepper
1 tbsp paprika	BBQ sauce

#### Directions

Preheat your oven to 300°F (150°C). Preheat your grill to a medium-low heat, around 275°F (135°C).

Remove the membrane from the back of the ribs (the thin layer on the bone side) by gently lifting it with a knife and pulling it off with a paper towel for a better grip.

In a small bowl, combine brown sugar, paprika, garlic powder, onion powder, salt, pepper, chili powder, cumin, and cayenne. Rub the seasoning mix all over the ribs, making sure to cover both sides generously.

Lay the ribs on a large piece of aluminum foil and cover tightly to retain moisture. Bake for 2.5 to 3 hours at 300°F (150°C).

Place the ribs on the grill over indirect heat (not directly over the flame). Close the lid and cook for about 2.5 to 3 hours, flipping occasionally, until the ribs are tender.

After cooking, remove the ribs from the foil if you're using the oven or off the grill if you're using the grill. Brush the ribs generously with your favorite BBQ sauce.

Let the ribs rest for a few minutes before slicing. Serve with extra BBQ sauce on the side and enjoy!

### Crispy Avocado Lettuce Wraps

#### Ingredients

1 head Dole lettuce, separated into leaves  
1 ripe avocado, diced  
1/2 cup cooked chicken (shredded or cubed)  
1/4 cup red bell pepper, finely chopped  
2 tbsp Greek yogurt or sour cream  
1 tsp lime juice  
1 tbsp cilantro, chopped  
Salt and pepper to taste

#### Directions

Prepare the yogurt dressing: In a small bowl, combine the Greek yogurt (or sour cream), lime juice, chopped cilantro, salt, and pepper. Stir until well mixed and set aside.

In a medium bowl, gently mix the diced avocado, cooked chicken (shredded or cubed), and finely chopped red bell pepper. Be careful not to mash the avocado too much—it should stay chunky.

Pour the yogurt dressing over the avocado-chicken mixture and toss gently to coat all ingredients evenly. Taste and adjust seasoning with more salt, pepper, or lime juice if needed.

Lay out the individual lettuce leaves on a serving platter. Spoon the avocado mixture into the center of each leaf, using a couple of tablespoons per wrap.

Fold the lettuce leaves around the filling like a taco or wrap, and serve immediately for a fresh, crunchy meal.
