DREISBACH'S STEAKHOUSE AU GRATIN POTATOES

This is an original creation from the kitchen of the famous Dreisbach's Steakhouse restaurant in Grand Island, NE which opened in 1932 and closed 70 years later in 2002. It makes the perfect side dish for your Easter Ham and although it is homemade from scratch it is ready in minutes! Simply reheat!

HARICOTS VERTS EXTRA FINE GREEN BEANS

Imported from France! Considered by many to be the best green bean. The French Filet Bean, called the Haricot Verts in French, is the exact product served at many fine restaurants. It is a slender and more flavorful, stringless green bean.

DUKE'S MAYONNAISE

Duke's Mayo elevates any dish. Duke's contains a higher ratio of egg yolks than most other commercial mayos, which makes it rich, creamy, and less likely to separate when heated. There's a wisp of tang from apple cider vinegar and a touch of paprika. Its texture is thicker and almost custard-like instead of simply slick or gelatinous. The FOODIES at Leon's think it might make a heckuva great cold turkey sandwich so we decided to run it on sale for our customers!
