The Filet Mignon is the ultimate in indulgences. Mom will love the exceptional flavor and the velvety tenderness of this gourmet steak!

JUST FOR YOU, MOM!

Did you know that Spring is FINALLY here?? This year for Mother's Day you can almost imagine Lincolniters strolling the streets on crisp morning walks or even leaning in over fresh breakfasts while sitting on their own back yard patios.

Just in time for the perfect brunch, Leon's is featuring our homemade StageDoor Deli Quiches so that the guest of honor (MOM) can take the day off and enjoy herself. We offer three standard Quiches for you to choose from: Lorraine, Ham & Cheddar, or Tomato & Basil.

Our Quiches have always been famous for being delicious, and really there is a simple reason that the food in our deli tastes so good... because it is **HOMEMADE**.

The imported cheeses used are hand selected from our Cheese Island, the vegetables are fresh, and the sausage is ground in our own meat department. It is a difference you can TASTE and another reason why some days being average just isn't good enough, that's when you come to

LUCINI AGED BALSAMIC VINEGAR OF MODENA

This extraordinary balsamic vinegar begins in the rolling hills of the province of Modena, where grapes varietals, including the classic Trebbiano, are harvested, crushed and immediately cooked to capture their freshness. Only by adhering to strict traditional artisan methods and a thoroughly natural aging in wooden casks can Lucini Italia achieve this full-bodied, balanced taste. The result is exquisite vinegar that is both complex and well balanced. Use the balsamico to brighten marinades and reductions. Perfect for poaching seafood or adding to dressings.
