Our Top Sirloin steaks are the most economical of all the premium "middle meat" steaks while still being deee-licious! For this reason, they are one of the favorite varieties of steak for family get-togethers and backyard barbecues. What you make up for in Savings is never sacrificed in flavor when you shop at our Butcher Block Meat Department!

## CHIPOTLE TEQUILA BUTTER

Did you know that at Leon's that we only sell the USDA PREMIUM CHOICE Grade beef? Premium Choice is more than just a couple of fancy words... what they really mean is that of all USDA CHOICE grades of beef on the market, we only buy the top 7%.

However, we don't stop there, because once that delectable meat gets to our store, we age it a minimum of 21 days. It is that aging process that allows it to become extra tender and for the true beef flavor to fully develop.

This week the FOODIES at Leon's have decided to share another one of those little secrets that you can use to absolutely dazzle your family and friends! COMPOUND FINISHING BUTTER.

Throughout our ad this week you will see many different types of compound butters such as the ones we make from scratch in the Stage Door Deli, the branded ones we carry in our dairy department and even one of our favorites - Chipotle Tequila Butter that you can easily make yourself. We like it because the seasonal flavors of mild chipotle and cilantro really taste like summer on one of our steaks without over powering it. We also like the that you see a gorgeous Leon's steak topped with chopped bright red-orange chipotle peppers and fresh green cilantro flakes making for a presentation and a flavor that inspires!

- 1/2 C Butter (at room temperature)
- 2 T Fresh Cilantro (chopped)
- 2 T Chipotle Peppers in Adobo Sauce (chopped)
- 1 T Tequila

1. Mix ingredients in a bowl and blend them together with a spoon.
2. Lay out a sheet of plastic wrap and spoon the mixture into the center of the plastic.
3. Roll into a cylinder and refrigerate 2-3 hours or overnight.
4. Cut crosswise into eight equal slices.
5. Season T-Bone or New York Strip Steaks with salt and pepper and grill on medium high for 5 minutes.
6. Turn the steak over and top with two slices of butter mixture, then continue to grill for 5 minutes, or the butter begins to melt.
7. Transfer to a plate and serve.

## LEWIS ROAD CREAMERY ARTISAN BUTTER

Lewis Road Creamery is the new kid in town—okay, the new kid in America. Founded in New Zealand in 2012 by Peter Cullinane, the dairy company claims to make the world's best butter. Lofty ... but not far-fetched. The beautifully goldenrod-colored butter is silky sweet, leaving a trace of nuttiness. It uses milk from grass-fed cows who can spend all year in paddocks since the climate is temperate and the greenery lush. It will really pop in a bearnaise sauce, any baked treat and it's also delicious on bread alone.

## SUN GHEE GRASS-FED CLARIFIED BUTTER

Clarified butter or GHEE is made by separating butterfat from the milk solids and water in butter. Because the milk solids have been strained out, ghee has a much higher smoking point (465°F) than butter (302°F), and can be stored in a pantry when unopened, just like oil, because it's almost all fat. Both are solid at room temperature and, nutritionally, ghee and butter are almost identical—deriving almost 100% of their calories from fat. But, because ghee is clarified, it contains neither casein (the dominant protein in milk) nor lactose, making it easier for those with lactose intolerance to digest. The FOODIES at Leon's think Sun Ghee is the best tasting ghee on the market and it is also both better for you, and better for the farms it is sourced from.

Available in Aleppo Chili, Rosemary and Sage, or Chives, Tarragon, & Parsley.

## JUST THE FUN PART CRISPY MINI WAFFLE CONES

It's no secret that the best part of a sundae cone is the bottom, so why not capture this moment to enjoy over and over again? Just like that, "Just The Fun Part" was born. The name speaks for itself. Sure, the ice cream on-top is delicious, but it isn't until you reach the very bottom, where the crispy cone combines with silky smooth chocolate that it becomes the perfect summer treat. Now you can enjoy that final bite over and over!

Their name represents the 1 in 6 people in America that do not know where their next meal will come from. In order to combat that statistic, they donate a portion of their profit from every bag sold to local Food Banks.
