FRESH SQUEEZED LEMONADE!

Did you know that the FOODIES at Leon's think that serving fresh squeezed ice-cold lemonade on a blazing hot day is one of summer's finest pleasures?

There is a balance to the best lemonade between the sweetness from the sugar and the tartness from the lemon juice that includes layers of flavor and texture that can only be found in freshly squeezed lemon juice. The FOODIES think that the combination of the most advanced technology and carefully chosen fruit is exactly what makes each drop of fresh squeezed lemonade at Leon's an experience for the palate.

First off, our juicer cuts any fruit we put into it in half and squeezes it without any part of the peel ever coming in contact with the juice. It is this process that creates a sweeter, perfect tasting juice, free of essential oils. There are also two pulp filters on our juicer that allow you to enjoy your glass of juice without having to worry about the separated pulp at the bottom.

This week we are featuring our Lemonade at a **\$1 off of a half-gallon**, so that if you have never tasted it you can try it! That is why being average just isn't good enough, that's when you come to

ICELANDIC PROVISIONS SKYR

Skyr is a thick & creamy Icelandic yogurt that's been a provision of Icelanders for nearly 1,000 years. Skyr is akin to yogurt but has a different texture thanks to the heirloom Icelandic cultures used to make it. WINE & CHEESE PAIRING OF THE WEEK

LAS LILAS VINHO VERDE

Elegant citrus color, the aroma is a perfect harmony between the floral notes of Loureiro with the citrus fruit's notes of Trajadura and Arinto. With a little petillance, the result is an elegant, crisp wine.

\$9⁹⁸

BELGIOIOSO BURRATA MINIS

4 Ct. - 2 oz.

Fresh Burrata's creamy, rich texture and mild, milky flavor provide a smooth, luscious contrast to the crisp acidity and light petillance of Las Lilas Vinho Verde. The wine's bright citrus and floral aromas lift the cheese's subtle sweetness, while its gentle effervescence cuts through the richness, cleansing the palate. This balance of creamy softness and refreshing brightness makes them a naturally delicious pairing that highlights the best qualities of both.
