## LEON'S GELATERIA

Whether you are riding your bike on the Rock Island Trail or just out on an evening stroll in the neighborhood, the FOODIES at Leon's would like to invite you to stop down to try the Leon's Artisan Gelateria.

We carry 18 rotating varieties of the finest quality gelato or sorbetto that you will find anywhere in Lincoln. It is also certified, sustainable, and responsibly made. Plus gelato is also lower in calories than regular ice cream, so you can even argue that it's good for you!

Ice cream is made with more heavy cream than gelato. This is why gelato has a lighter taste and doesn't feel like it's sitting at the bottom of your stomach. Gelato has about 20% air versus ice cream which has about 50%. With less air and less fat, gelato has more flavor than most traditional ice creams.

That's why some days being average just isn't good enough, that's when you come to

### JAPANESE MAYONNAISE

First made in Japan in 1925 and sold in glass jars this mayo is yellower, richer and more creamy than the standard American or European mayonnaise. Made with rice vinegar, instead of distilled vinegar makes it especially complimentary to Japanese cuisine. The difference is that this mayonnaise contains the egg yolk instead of the whole egg. It goes well with salad, sandwiches, sushi and much more!
