What could be better than a brat grilled to perfection on the grill? How about one that is homemade in the best meat department around! Available many flavors... Philly, Jalapeno/Cheddar, Apple/Gouda, and try our new flavor Bavarian Beer and other assorted flavors.

### BEER/FOOD PAIRING

Did you know that about five years ago the National Restaurant Association recognized food-and-beer pairings as a top beverage trend its annual What's Hot Culinary Forecast? The main foods most often associated with beer pairing tends to be chicken, burgers, barbecue, curry and pizza which makes the practice a bit more fun than the more rigid wine/cheese pairing.

This week the FOODIES at Leon's have decided to offer a selection of excellent craft beers (direct from our Rock Island Brew Stop beer cave) to pair with our own Butcher Block Brats and not to be outdone, the Stage Door Deli has gotten into the act by offering some hand selected items that pair with beer as well.

Many years ago when discussions started at Leon's about offering made-from-scratch brats, one thing we knew right away is that we wanted them to be a higher quality than something you could buy just anywhere without driving the price too high. By working together with the chefs in our deli we carefully tested and developed three main flavors: Original, Jalapeno/Cheddar and Apple Gouda. The Apple/Gouda was especially tricky and we tried over and over until we got it just right.

Over time those three flavors became the brats that we have every day and are by for our most popular. They were such a hit that Meat Department Manager/Store Owner Rob Toy and his team began developing additional flavors such as the Philly (cheesesteak) and Triple Play (bacon, cheddar, and swiss). This week they have even added a new one for you to try, introducing the all new Bavarian Beer Brat!

If you have ever wanted to give Beer/Food pairing a try this is the week and just another reason why some days being average just isn't good enough, that's when you come to

## WINE & CHEESE PAIRING OF THE WEEK

**BLACK STALLION  
2021 NAPA VALLEY  
CABERNET  
SAUVIGNON**  
750 mL

The wine opens with stunning aromas of black cherry, dried cranberry and toasty notes of cedar, the palate is concentrated with bold, velvety red flavors of cherry, raspberry, and hints of spice. Intense, concentrated mature fruit and integrated tannins with beautifully balanced acidity extends to an elegant finish.

**\$29<sup>98</sup>**

**LONG CLAWSON  
RESERVE BLUE  
STILTON CHEESE**  
5.3 oz.

Creamy, crumbly Stilton brings a bold, salty punch that holds its own against the richness of Cabernet Sauvignon. The wine's firm tannins tame the blue's intensity, while its dark berry notes highlight the cheese's earthy depth. It's a pairing of powerful flavors and contrasting textures that come together seamlessly.
