FLAT IRON STEAK

\$15⁹⁸
Lb.

Flat iron is extremely tender with intense flavor which makes it an excellent choice for stir frying, fajitas or any recipe that calls for thin slices of beef. Our flat iron can also be grilled, broiled or pan fried. The fine marbling will cook into the steak, creating a juicy, flavorful steak when cooked to a perfect medium-rare doneness!

How to GRILL the perfect FLAT IRON for your SUMMER SALAD every time!

Did you know that the FOODIES at Leon's have perfected the art of grilling FLAT IRON STEAK? It's true, and with these few tips you will be grilling it like a pro every time!

First of all when grilling any steak it is a great idea to take it out of the fridge before you grill it. Letting the steak temperature stabilize for about 45 minutes will help it cook more evenly.

Second, if you are using a seasoning (our favorite is Misty's) rub the meat with a light coat of extra virgin olive oil, but do not apply the seasoning until right before grilling. The salt in seasoning will draw the moisture out and we do not want to do that—in fact we are all about keeping that moisture in.

Cook the meat for 5-6 minutes on one side and then flip and cook another 3-4 minutes. When done, immediately put the steak on a plate and cover with foil for ten minutes allowing the steak to rest. When you go to cut into it you will find the ends are a nice medium while the middle is a bit more pink. Remember to cut across the grain and into very thin slices for your perfect summer salad.

That's why some days being average just isn't good enough, that's when you come to *Leon's*

ROGUE CREAMERY SMOKEY BLUE CHEESE

4.2 oz.

Playfully inspired by Smokey Bear, this American original is cold-smoked for many hours over Oregon hazelnut shells. This process infuses the cheese with unique aromas of barrel-aged vanilla, bread pudding, and candied bacon. You'll taste spicy-sweet flavors of honey, apple, and nectarine, plus a mild "blue" finish.

GARLIC EXPRESSIONS

VINAIGRETTE DRESSING & MARINADE

Why be average at a several things when you can be an expert at one? Meet "Garlic Expressions" for more than 30 years they've exclusively produced a zesty vinaigrette that's fused with pickled garlic cloves. The FOODIES at Leon's love this salad dressing for its flavor, noting it doesn't have a strong vinegar taste, and appreciate that it contains big chunks of garlic. The dressing is light on calories and versatile, working well as a marinade for chicken, seafood and other meats.

MAVUNO HARVEST

ORGANIC DARK CHOCOLATE DIPPED DRIED FRUIT

While serving as a Peace Corps volunteer in a tiny village in Kenya called Miti Mingi, Phil Hughes was surprised to learn that on average farmers only sell up to a third of their harvest. The vast majority of fruit remains unsold and is left behind to rot. After learning that drying fruit opens new markets, creates jobs for the local community, and extends the life and prosperity of the food supply, Phil was inspired to create Mavuno Harvest. Now Mavuno Harvest works directly with farmers in all corners of the world to avoid waste, provide crucial market access, and ensure farmers are paid premium pricing. Oh and by the way, the FOODIES at Leon's think this is one of the best tasting healthy snacks that we have tried in a 1000ing time!

MOLLY'S SUDS

LAUNDRY DETERGENT

In the United States alone 80,000 chemicals were approved for use by the TSCA (Toxic Substances Control Act) and yet only 200 of the toxins were tested for human safety. Each year the list of chemicals changes. So, the decision was made to create Molly's Suds Laundry Powder and other household cleaning products that are a safer alternative for humans. Developed by a pediatric nurse (& mom) and made with simple, effective ingredients. Molly's Suds harnesses the power of plant-based surfactants and active enzymes to deeply penetrate fibers, removing soil, dirt, oil, and stains with ease.
