NUESKE'S APPLEWOOD BACON

Did you know what when it comes to bacon, the FOODIES at
Leon's have been leading the pack when it comes to QUALITY
for years? It's true! In fact, when you come to our Butcher Block
Meat Department for bacon you can rest easy knowing that
each one of the varieties we carry has been hand selected.

It all started several years ago when Chief Foodie Chad Winters
attended his very first Fancy Food Show in New York City.
Nueske's Applewood Smoked Bacon just happened to be named
as the top bacon in the USA that year. When Chad tried it, he
knew he had to get it at Leon's so our customers could try it!

Nueske's didn't have national distribution at that time so Chad's
business partner and Butcher Block manager Roy Toy agreed to
meet the Nueske's semi-truck which was traveling down
Interstate 80 at a North Lincoln hotel parking lot so we could
unload 25 cases of product from them as they were passing
through town.

Since then, a lot of things have changed at Leon's... like adding
perennial customer favorites to our bacon line up such as Steak
Bacon, the Jalapeño or Pecan Smoked Bacon or even Nueske's
finally adding direct to store delivery! One thing that will never
change though is that some days being average just isn't good
enough, that's when you come to

DUKES

MAYONNAISE

Duke's Mayo elevates any dish. Duke's contains a higher ratio of egg yolks than most other commercial mayos, which makes it rich, creamy, and less likely to separate when heated. There's a wisp of tang from apple cider vinegar and a touch of paprika. Its texture is thicker and almost custard-like instead of simply slick or gelatinous. Duke's is delicious on sandwiches like a BLT, in salads, and even as a key baking ingredient. Low-Carb Friendly. No Added Sugar. Trusted Since 1917.

SOUTHERN CITY FLAVORS

BACON & WHISKEY BBQ SAUCE

The smokey flavor of bacon, with the smooth taste of Tennessee made "Sweet Lucy" Bourbon liquor. This Bacon & Whiskey BBQ Sauce has a unique flavor to complement any meat. Add to your homemade baked beans to change boring into scrumptious!

Also on sale: Apple Moonshine BBQ, Maple Espresso BBQ, Tennessee Whiskey BBQ, or Maple Chipotle BBQ.

BACON UP

BACON GREASE

Real BACON grease, ready to use. If you love cooking with bacon grease but never have enough this is a convenient way to get that next level flavor without the fuss of frying bacon. You don't need special recipes to take advantage of Bacon Up's next-level flavor. Got your skillet? Grab the Bacon Up. Griddle? Dutch oven? Deep fryer? Mixing bowl? YEP! Same. Start with a scoop of Bacon Up instead of butter, olive oil, shortening, etc. and enjoy.
