Steakhouse flavor without a reservation! Leon's "Premium CHOICE" beef is known for its even marbling which gives our steaks awesome tenderness and excellent taste. T-Bones are a fun holiday choice since one side of them features meat from the tenderloin (the same area that yields filet) and the other side features a New York Strip Steak. Cooking these steaks together on the bone adds to the excellent flavor...and that is a difference that you can taste!

WHAT IS YOUR FAVORITE FLAVOR?

Did you know that whether you are riding your bike on the Rock Island Trail or just out for an evening stroll through the neighborhood, the FOODIES at Leon's would like to invite you to stop down to the Leon's Artisan Gelateria?

First of all...our Gelato is just plain delicious! We carry 18 rotating varieties of the finest quality gelato or sorbetto that you will find anywhere in Lincoln. It is even certified sustainable, and responsibly made.

Gelato even tends to have fewer calories, less sugar and lower fat content per serving than ice cream! Ice cream is made with more heavy cream than gelato. This is why gelato has a lighter taste and doesn't feel like it's sitting at the bottom of your stomach. Then Gelato is "turned" at a slower speed which leaves it with less air (20%) making it more densely concentrated with flavor than most ice creams (50%).

Our Artisan Gelateria is part of the Stage Door Deli and we offer four sizes for you to choose from. One scoop, two scoop, three scoop Waffle Cones or even a take home pint. That's why some days being average just isn't good enough, that's when you come to

SPICE ISLE

TROPICAL TAMARIND GOURMET SAUCE

Spice Isle Sauces Tropical Tamarind Gourmet Sauce brings the taste of authentic Caribbean cuisine directly from their kitchen to yours. This sauce is similar to a Tropical BBQ sauce. They incorporate key tropical fruits like cherry, orange, and pineapple with the subtly sweet and citrusy tamarind fruit to give our sauce a distinctly unique flavor. The FOODIES at Leons think this will be one of the more unique and interesting sauce that you have tasted in a while!

JAWNDIMENTS

LONG HOT MAYO OR CHERRY PEPPER MAYO

Philadelphia is known for many things, but what sets the city apart are the sandwiches! The neighborhood spots that are famous for slinging the best hoagies, cheesesteaks and roast pork sandwiches have made them legendary. By honoring these iconic flavors in a form that is meant to be squeezed, dribbled, and doused, you can add a taste of Philly onto almost anything you make. Cherry Pepper Mayo brings the sweet heat, as the perfect complement to any savory dish. Long Hot Pepper Mayo, emphasis on the HOT, boasts a spicy tangy flavor as versatile as the beloved Italian Long Hot Pepper itself.

TISEO'S

PIZZA DOUGH BALLS

Homemade pizza dough, "from scratch," is without a doubt the single most defining factor that differentiates a great pizza from any other pizza. At Tiseo's, they take the mess and hard work out of your hands, yet deliver to you the best and most satisfying high quality product. No other products are manufactured on the premises with their premium pizza dough. No need to worry if you have any allergies to peanuts or nuts, all ingredients used in their product are natural and they do not add any additives or preservatives to their dough.

VAN LEEUWAN ICE CREAM

Van Leeuwen Ice Cream was started in a yellow truck on the streets of NYC in 2008 with a mission to make good ice cream that makes you feel good. Nowadays, people can spend so much time on what's "healthy" they don't stop to consider what's healthy. What could be happier than that magic combination of milk, cream, eggs, and cane sugar (or coconuts, cashews and oats for our vegan friends)? Yes, Van Leeuwen Ice Cream has fat and that's okay Good is simple ingredients. If it's tough to pronounce, it's probably tough to digest. Good is harmonious ingredients. Van Leeuwen seeks to satisfy omnivores and vegans alike. This is their way. The good way. The Van Leeuwen way. Not just the best way to make ice cream, but to live.
