## Family meals help keep us connected!

September is National Family Meals Month and we're celebrating.

• Enjoying meals together as a family is a great way to get stronger emotionally, physically, and mentally!

• Family meals are associated with better weight management, improved physical health and improved mental health.

• The communication and relationship skills learned at family meals prepare us to survive and thrive during life's ups and downs.

• Eating family meals is good; spending more time around the table is even better. Extending mealtimes by just ten minutes can further improve diet quality and eating behavior among children.

 Fresh produce such as tomatoes, avocado, figs, apples, pears, peaches, peppers, caramelized onions, or basil adds a unique flavor boost to your grilled cheese.

**Deli Meat/Other Meats**
