Family meals help keep us connected!

September is National Family Meals Month and we're celebrating.

- Enjoying meals together as a family is a great way to get stronger emotionally, physically, and mentally!
- Family meals are associated with better weight management, improved physical health and improved mental health.
- The communication and relationship skills learned at family meals prepare us to survive and thrive during life's ups and downs.
- Eating family meals is good; spending more time around the table is even better. Extending mealtimes by just ten minutes can further improve diet quality and eating behavior among children.

WAKE UP AND SAVE!

Start the Day Together for a Stronger Family

Studies show that family meals improve family functioning. This is defined as family connectedness, communication, expressiveness, and problem-solving.

Family meals deepen and intensify family connections and make for healthier, more enduring families. In short, family meals fuel stronger families.

Simple Steps to a Better Grilled Cheese
 Add butter with a pinch of salt and pepper to your pan. Add your favorite dried herbs like Thyme or Rosemary to the pan or directly to the bread.

Veggies/Fruit
 Fresh produce such as tomatoes, avocado, figs, apples, pears, peaches, peppers, caramelized onions, or basil adds a unique flavor boost to your grilled cheese.

Deli Meat/Other Meats
 Deli meat such as turkey, ham, roasted beef, and chicken breast are classic ways to elevate your grilled cheese. Don't forget bacon or prosciutto! Use sauce such as pesto or aioli to enhance the flavor of your grilled cheese.
