SCARY GOOD BRATS

ASK A FOODIE

Did you know that nothing is more SCARY than not having great food at the ready before all the trick-or-treating on Halloween? The FOODIES at Leon's know from experience that whether you are celebrating with family, friends or neighbors... you will want to eat something (besides sugar) before the big night begins. Why not try our Ghost Pepper or Pumpkin Spice Brats?

Just when you thought you've seen all the varieties of pumpkin spice out there, we're bringing you the Pumpkin Spice Brat. Filled with warm pie spices, this brat is a far cry from the overly sweet autumn-inspired drink that comes to mind. With just enough savory pork and warm spice notes to get you in the spirit, this brat will be an unexpected favorite.

Then there is the Ghost Pepper Brat. Although the name makes it sound spooky, it comes with a level of heat that you notice but will still actually enjoy. All our brats at Leon's are made from scratch using only Butcher Block pork and real ingredients by Leon's Butchers. They are easy to cook up in a hurry and sure to dazzle all your guests!

SAUER FRAU SQUEEZABLE SAUERKRAUT

The Sauer Frau has no time for the eccentric or offbeat—she doesn't enjoy theater, novels, art, or other human beings that much. In fact, if you suggest an idea to her, and she will almost always disapprove: "I don't go for that." HOWEVER... If you mention sauerkraut, she starts talking about the old country. Known for her authentic German kraut, fermented to perfection with only the very best fresh ingredients, the Sauer Frau is serious about kraut. And while squeezable is definitely not a word one would associate with the Frau, her squeezable kraut—the first of its kind—most certainly is.
