TOP 7% OF ALL BEEF!

What makes Leon's meat so good? As you can imagine, we get this question a lot! The answer really boils down to a few simple things that make a really huge impact on our beef's taste.

The FOODIES at Leon's have always known that great food starts with great ingredients. So when it comes to Butcher Block Meats, it all starts with the QUALITY of the beef that our butchers purchase.

At Leon's we sell only USDA PREMIUM CHOICE beef, while most other grocery stores in Lincoln sell SELECT GRADE beef. SELECT is a lower quality USDA classification, but that is only part of the story. The USDA CHOICE beef we sell is also known as, *Gourmet Quality PREMIUM Black Angus Beef*, which represents the top 7% of all cattle.

Then once that high quality USDA PREMIUM CHOICE meat gets to our store, we AGE it for a minimum of 21 days in our meat coolers. This allows the meat to get more tender and flavorful.

It is a difference that you can TASTE, and it's another reason why some days being average just isn't good enough, that's when you come to Leon's!

LEON'S HIGH GLUTEN WHITE OR WHEAT FLOUR

One of the hidden gems that the FOODIES at Leon's carry is our bulk flours. They are brought in from a special supplier that would normally only sell this type of flour to an artisan bakery. This week we are featuring the high gluten flour. The amount of protein found in bread flour is higher, in order to contain and produce more gluten and achieve the desired rise in bread. ... The high amount of gluten also creates a more elastic dough, which produces a lighter and chewier bread, as opposed to a bread that is more dense and crumbly.

NIELSEN MASSEY MADAGASCAR BOURBON PURE VANILLA EXTRACT

Madagascar Bourbon Pure Vanilla Extract has a luscious, layered flavor profile – creamy and mellow with velvety after-tones. The term Bourbon is only a geographic reference to where the vanilla beans are sourced: the Bourbon Islands of Madagascar located off the eastern coast of Africa. Nielsen-Massey has been sharing the world's best. Culinary professionals and home cooks agree, you can taste the difference.

TWIN SPRINGS PREMIUM PECAN HALVES

Twin Springs Premium Pecans are carefully selected for their superior size and flavor. Grown on a family orchard right in Nebraska on trees that are specially grafted for the local climate to produce a nut with a natural sweetness. The process ensures a buttery palate as a result of the natural (healthy) oils these trees produce. Because Twin Springs do everything from planting to packaging on site, they offer a better pecan at an even better price. These are Naked Pecans, the way nature intended them to be for baking — jumbo halves without the shell.

WINE & CHEESE PAIRING OF THE WEEK

**CHATEAU GALOCHET
BORDEAUX**

IVY'S RESERVE SOMERSET
RED CHEESE**

This Red Leicester-style cheese brings gentle nuttiness, mellow savoriness, and a smooth, sliceable texture. It pairs naturally with a soft, fruit-forward Bordeaux - its warm, rounded flavor complements the wine's red-berry notes and velvety tannins. A cozy, balanced pairing to enjoy alongside a Christmas roast. A classic, comforting choice for the holiday table.
