Grilled Ribeye Steak

Ingredients

1 ribeye steak (about 1-1.5 inches thick)
1-2 tbsp olive oil (or your favorite cooking oil)
2-3 garlic cloves (crushed or minced)
1-2 tsp fresh rosemary or thyme (optional)
Salt (preferably kosher or sea salt)
Freshly ground black pepper
Optional: Butter (for finishing)

Directions

Take your ribeye steak out of the refrigerator about 30-60 minutes before grilling to bring it to room temperature. This helps the steak cook evenly. Pat the steak dry with a paper towel to remove excess moisture. This will help get a nice sear.

Drizzle olive oil on both sides of the steak. Generously season both sides with salt and pepper. You can also add some crushed garlic or herbs (like rosemary or thyme) at this point for added flavor.

Preheat your grill to high heat (around 450-500°F). If you're using a gas grill, make sure to clean the grates and lightly oil them to prevent sticking.

Place the steak on the grill and cook for about 4-5 minutes on each side for medium-rare, depending on thickness. Adjust the time for your desired level of doneness (longer for medium, medium-well, etc.).

If you have a meat thermometer, aim for 130-135°F for medium-rare, 140-145°F for medium, and 150-155°F for medium-well.

For a rich finish, you can add a pat of butter on top of the steak during the last minute of grilling. The butter will melt and enhance the flavor.

Once done, remove the steak from the grill and let it rest on a plate for about 5-10 minutes. This allows the juices to redistribute, making for a juicy steak.

Serve and Enjoy

Fresh
Red, Yellow or Orange Bell Peppers

2/\$4

Grilled Chicken and Bell Pepper Skewers

Ingredients

- 3 tablespoons olive oil
- 2 tablespoons lemon juice
- 2 garlic cloves, minced
- 1 teaspoon dried oregano
- 1 teaspoon salt
- 1/2 teaspoon black pepper
- 1 1/2 pounds boneless, skinless chicken breasts
- 2 large bell peppers (any color)
- 1 medium red onion (optional)
- Lemon wedges, for serving
- Metal or wooden skewers (if using wooden skewers, soak in water for at least 30 minutes)

Directions

In a large bowl, whisk together 3 tablespoons olive oil, 2 tablespoons lemon juice, 2 minced garlic cloves, 1 teaspoon dried oregano, 1 teaspoon salt, and 1/2 teaspoon black pepper.

Cut 1 1/2 pounds of boneless, skinless chicken breasts into 1 1/2-inch chunks. Add the chicken pieces to the bowl with the marinade. Toss to coat evenly, cover the bowl, and refrigerate for at least 15 minutes (or up to 2 hours for more flavor).

While the chicken marinates, cut 2 large bell peppers (any color you prefer) into 1 1/2-inch pieces. If using, peel and cut 1 medium red onion into similar-sized pieces.

Once the chicken is marinated, thread the pieces onto metal or soaked wooden skewers, alternating between chicken, bell pepper, and red onion pieces.

Preheat a grill or grill pan to medium-high heat. Lightly oil the grates to prevent sticking. Grill the skewers for 12-15 minutes, turning every few minutes, until the chicken is golden and cooked through. The internal temperature should reach 165°F (74°C).

Remove from the grill and serve hot with lemon wedges on the side.
