There is a simple reason that the food in our deli tastes so good...it is made from scratch right here in the Stage Door Deli so that you don't have to do it at home! This week in honor of the most important meal of the day, the FOODIES at Leon's are featuring our quiches. They are made FRESH daily using high quality ingredients, so they taste just like something you made in your own kitchen!

### MAPLE SAUSAGE

Did you know that the famous Leon's Butcher Block Meat Department does waaaayyy more than cut the mouthwatering steaks/chops that you are used to? While it is definitely true that they are GREAT at that, they are also FOODIES too! In fact, even the butchers at Leon's are constantly inventing delicious new meal replacements for you to take home that are guaranteed to dazzle family and friends each time you serve them.

This week in honor of "building a better breakfast" we are featuring one of those butcher block inventions...our own tried and true "made from scratch" bulk MAPLE SAUSAGE. Our recipe starts with premium cuts of pork then adds uniquely blended spices and real maple syrup. The result is a perfect balance of sweet and savory that is perfect for breakfasts before school, work or lazy weekend breakfasts.

Elevate your breakfast with the irresistible taste of Maple Sausage cooked in crumbles for biscuits and gravy, in patties for breakfast sandwiches or in eggs Benedict. What could be a better way to start your day than by kicking up the breakfast staples you are used to by simply adding Leon's Butcher Block Maple Sausage!
