### CHARCUTERIE TRAY FOR TWO

Did you know that when it comes to Valentine's Day, the FOODIES at Leon's have you covered at about every angle?! Whether you want a deal on the freshest berries in town from our Produce Department, Fondue from our Cheese Island, to grill the perfect steak at home or even if you want to dazzle your sweetheart with the latest culinary delicacies... all you have to do is wander around our aisles for inspiration!

This week in honor of ROMANCE, we have decided to really raise the bar with our newly created Charcuterie "Tray for Two" that you can simply stop by and pick up on the go back at the Stage Door Deli.

They are filled to the brim with all the things that Leon's is known for: specialty meats, imported/domestic cheeses, crackers, fresh selections from our olive bar, dried fruits/nuts from our Bulk Department... and last, but certainly not least, CHOCOLATE!

The trays come in a 10" x 10" laminated box that folds down into a tray when you take the clear cover off. The trays also come in two varieties, wood or marble. They are absolutely perfect if you want to grab a bottle of wine and a little instant romance in a box in a hurry. It just another reason why some days being average just isn't good enough, that's when you come to
