KARMA SAUCE HOT SAUCES

Not all hot sauces are created equal. The Karma Sauce Company was founded with the mission of providing you with the highest quality healthy and delicious foods. Foods like those we make for ourselves. No compromises, no cut corners. At Karma Sauce, they design the recipes, grow the ingredients on their own farm, and handcraft the sauces in their own micro-factory. They control the process from beginning to end to ensure each bottle is brimming with quality and flavor. And the FOODIES at Leon's guarantee you'll taste the difference!

FAT CAT GOURMET HOT SAUCES

These sauces are flavor forward because they want you to taste what's in them, not just make your food hot. They don't try to make the hottest hot sauce but do try to make the best hot sauce. The goal is to use flavor and heat as complements, so that they can provide unique, exotic, tasty twists to food instead of just over-whelming flavors with nothing but heat. Try interesting flavors like Strawberry Serrano, Mexican-Style Habanero or Caribbean Curry to name a few. Some of their sauces are spicy, some are mild, but they guarantee you've never tasted anything like them!

JAWNDIMENTS LONG HOT MAYO OR CHERRY PEPPER MAYO

Philadelphia is known for many things, but what sets the city apart are the sandwiches! The neighborhood spots that are famous for slinging the best hoagies, cheesesteaks and roast pork sandwiches have made them legendary. By honoring these iconic flavors in a form that is meant to be squeezed, dribbled, and doused, you can add a taste of Philly onto almost anything you make. Cherry Pepper Mayo brings the sweet heat, as the perfect complement to any savory dish. Long Hot Pepper Mayo, emphasis on the HOT, boasts a spicy tangy flavor as versatile as the beloved Italian Long Hot Pepper itself.
