SAVE BIG WITH MEGA MEAT SALE!

Did you know that the MEGA meat sale is one heckuva sale? Every year a few months before summer grilling season gets into full swing, our famous Butcher Block Meat Department runs a terrific sale on our USDA Choice "Aged to Perfection" meats and our premium Pork.

The word MEGA refers to both the amount of fabulous Leon's meat you get and the amount of money you save. By buying a larger amount of meat at one time, you save more than \$2.00/LB. off our usual sale prices!

The big pieces of meat are also more convenient because our butchers will cut it the way you like, cut it the thickness you like and then wrap it the way you like. This makes the meat freezer ready!

This is a great sale so take advantage of it today, for your convenience call ahead to eliminate your wait in the store **402-488-2307**. Some days being average just isn't good enough, that's when you come to

Ideal for high-heat cooking, it creates a non-stick surface for cast iron, locks in flavor, and enhances the texture of your culinary creations. SUN GHEE GRASS FED CLARIFIED BUTTER

Ghee is a clarified butter made by separating butterfat from the milk solids and water in butter. It can be stored in a pantry when unopened, just like oil, because it's almost all fat. It is solid at room temperature and, nutritionally, ghee and butter are almost identical. Because ghee is clarified, it contains neither casein (the dominant protein in milk) nor lactose, making it easier for those with lactose intolerance to digest. The FOODIES at Leon's think Sun Ghee is the best on the market that we have tasted and it is for you, and better for the farms it is sourced from.

CHEDDAR
AGED FOR 18 MO.

7 oz.

An 18-month aged cheddar offers a firm, slightly crumbly texture with concentrated notes of toasted nuts, browned butter, and a subtle tang that deepens with age. Its rich, savory character and crystalline crunch stand up beautifully to a California Cabernet Sauvignon, while the cheese's sharpness highlights the wine's dark fruit and cocoa undertones. Together, the pairing feels balanced and satisfying.
