SIRLOIN STEAK **\$12.98**
Lb.

Sirloin steaks provide larger cuts and they are the most economical of all the premium "middle meat" steaks while still being deee-licious! For this reason, they are one of the most favored varieties of steaks for family get-togethers and backyard barbecues.

PICK A CHICK

Did you know that the FOODIES at Leon's are keenly aware just how BUSY our customers are these days? We often hear appreciation for our prepared meal replacements. It also seems that with today's extra busy lifestyles that the need for them is only growing. When we decided to offer meal replacements at Leon's, everyone in the Stage Door Deli agreed with Deli Manager/Chef Marcus Rekart that they should be made the "Leon's way" which is "made from scratch" using the freshest seasonal ingredients.

That is why this week we have decided to feature a few of them in our ad. We also understand the need for these meal solutions to be healthy, tasty and a value... especially in today's economy. This week we wanted to showcase one of our favorites that we think checks all the boxes! It is easy, wholesome and healthy for those days when you need a fast dinner (or lunch) but you still want it to taste great.

At Leon's we have always carried our version of "made from scratch" Classic Chicken Salad. A few years ago when we combined with Ideal Market, we added their Cranberry Walnut Chicken Salad to our lineup. Then the FOODIES in the deli took over. Last year we added the Curried Chicken Salad and now those three have become standards that you can pick up every day. Made fresh, right in the Stage Door Deli.

This week we have decided to showcase our culinary talents in the deli by adding Smoked Chipotle to our chicken salad line up. We think you will enjoy their variety, their great flavors and especially appreciate their value of this time saving standard especially while they are all on sale! That's why some days being average just isn't good enough, that's when you come to

IMAGINE ORGANIC CREAMY SOUPS

Imagine starts with real ingredients. Their delicious soups are organic, non-GMO, and nutrient-packed - making a difference you can taste in every spoonful. Their innovative aseptic carton package preserves the freshness and homemade taste, locking in the nutrients and flavor by sealing out light and air. Plus, the flash heating and cooling process effectively retains the soup's color and texture.
