At Leon's we age our all our beef for a minimum of 21 days, allowing the meat to get more tender and flavorful. It is a difference that you can taste!

LEON'S MARINATED KABOBS

Over the years Leon's marinated steak kabobs have built up quite a reputation for being juicy, tender and DEEEELICIOUS!

On one hand you have the MARINADE. It is made from scratch using a TOP SECRET recipe. The marinade is great on pretty much anything you can grill including chicken and pork. The meat marinates a minimum of 24 hours helping all the flavors penetrate it and allowing it to become extra moist and tender.

Then on the other hand you have Leon's famous Butcher Block MEAT being used for our kabobs. FOODIES swear that better ingredients produce better results in cooking. So it follows that when you start with USDA Premium Choice "Aged to Perfection" meats you already have a leg up in flavor.

The friendly FOODIES at Leon's think that if you put those hands together you end up with one terrific meal!

If you have never tried a Leon's marinated kabob before, you are in luck because this week they are on SALE! That is why some days being average just isn't good enough, that's when you come to

A-SHA GARLIC SOY THIN STREET OR SPICY MALA METEOR NOODLES

These aren't like other noodles, because they are COOL noodles. A lot of noodles can get a bad rep for artificial colors or flavors or fillers, but these are clean and vegan — talk about delicious. Three simple ingredients: wheat, salt, and water. That's it. No frying, nothing extra, just air-dried to literal perfection. Each slurp of noodles promises rich garlic and mouth-watering, umami flavors of soy that coat every strand perfectly, creating a bold, delicious meal experience that's impossible to put down.

CEDAR'S TRADITIONAL HOMOUMUS

The Cedar's story began in the sunlit kitchens of the Mediterranean, where Hommus is spelled with an "O". Cedar's founder Abe Hanna lovingly perfected his Hommus recipe there—in the old world. He made it the traditional way, using a very simple process and pure ingredients including the freshest chickpeas, most savory tahini and the perfect blend of spices. The result? A healthier hommus that tastes amazing and ditches the preservatives.
