LEON'S ARTISAN GELATERIA

Did you know that the FOODIES at Leon's think that our Artisan Gelateria should always be one of your stops when you are out for a summer's eve stroll using the Rock Island Trail or on a walk through the neighborhood? First of all, Gelato is just plain delicious! We keep it interesting too, because even though we have 18 different varieties, we are constantly rotating in new summer/seasonal flavors to keep it fresh.

Gelato is more than just tasty...it typically has fewer calories, less sugar and lower fat content per serving than ice cream. It is "turned" at a slower speed which leaves it with less air making it more densely concentrated with flavor. It is also stored at a slightly higher temperature than ice cream which leaves it with a softer and more silky texture.

Our Artisan Gelateria is part of the Stage Door Deli and we offer four sizes for you to choose from...one scoop, two scoop, three scoop Waffle Cones or a take home pint! That's why some days being average just isn't good enough, that's when you come to

BACHAN'S

JAPANESE BBQ SAUCE

Bachan's was founded by Justin Gill, a Japanese American who grew up eating and gifting friends his family's homemade sauce. As it's a family recipe, Gill named the brand after his bachan, or his grandmother. The real reason you should buy Bachan's, though, is because this sauce tastes good on literally all food! It has the sweet rich flavor of teriyaki with the body of a BBQ sauce or glaze so it makes a killer stir-fry sauce, but it also elevates any vegetable. It is also a bowl-licking-good glaze on salmon.
