FLAT IRON STEAK

\$16⁹⁸
Lb.

Flat iron is extremely tender with intense flavor which makes it an excellent choice for stir frying, fajitas or any recipe that calls for thin slices of beef. Our flat iron can also be grilled, broiled or pan fried. The fine marbling will cook into the steak, creating a juicy, flavorful steak when cooked to a perfect medium-rare doneness!

How to GRILL the perfect FLAT IRON for your SUMMER SALAD every time!

Did you know that the FOODIES at Leon's have perfected the art of grilling FLAT IRON STEAK? It's true, and with these few tips you will be grilling it like a pro every time!

First of all when grilling any steak it is a great idea to take it out of the fridge before you grill it. Letting the steak temperature stabilize for about 45 minutes will help it cook more evenly.

Second, if you are using a seasoning (our favorite is Misty's) rub the meat with a light coat of extra virgin olive oil, but do not apply the seasoning until right before grilling. The salt in seasoning will draw the moisture out and we do not want to do that - in fact we are all about keeping that moisture in.

Cook the meat for 5-6 minutes on one side and then flip and cook another 3-4 minutes. When done, immediately put the steak on a plate and cover with foil for ten minutes allowing the steak to rest. When you go to cut into it you will find the ends are a nice medium while the middle is a bit more pink. Remember to cut across the grain and into very thin slices for your perfect summer salad.

That's why some days being average just isn't good enough, that's when you come to *Leon's*

WINE & CHEESE PAIRING OF THE WEEK

ROBERT BIALE 2023
PARTY LINE ZINFANDEL
750 mL

Party Line celebrates the tradition of Zinfandel and the days when California's wine-growing families shared phones—called 'party lines'—were common in rural areas. In old Napa, a teenaged egg and produce farmer named Aldo Biale employed the code name "black chicken" on the phone to keep his bootleg jugs of home-grown and homemade Zinfandel a secret from neighbors and authorities. Vibrant and versatile, Robert Biale Vineyards' Party Line is a fully legal classic Zinfandel from vineyards throughout California.

Full-bodied and comforting, this is the kind of pairing that lingers long after the last bite and sip.
