### LEON'S GELATERIA

Whether you are riding your bike on the Rock Island Trail or just out on an evening stroll in the neighborhood, the FOODIES at Leon's would like to invite you to stop down to try the Leon's Artisan Gelateria.

We carry 18 rotating varieties of the finest quality gelato or sorbetto that you will find anywhere in Lincoln. It is also certified, sustainable, and responsibly made. Plus gelato is also lower in calories than regular ice cream, so you can even argue that it's good for you!

Ice cream is made with more heavy cream than gelato. This is why gelato has a lighter taste and doesn't feel like it's sitting at the bottom of your stomach. Gelato has about 20% air versus ice cream which has about 50%. With less air and less fat, gelato has more flavor than most traditional ice creams.

That's why some days being average just isn't good enough, that's when you come to

## KEWPIE

### JAPANESE MAYONNAISE

First made in Japan in 1925 and sold in glass jars this mayo is yellower, richer and more creamy than the standard American or European mayonnaise. Made with rice vinegar, instead of distilled vinegar makes it especially complimentary to Japanese cuisine. The difference is that this mayonnaise contains the egg yolk instead of the whole egg. It goes well with salad, sandwiches, sushi and is now available in the NEW Spicy Siracha flavor as well!

## JAWNDIMENTS

### LONG HOT OR CHERRY PEPPER MAYO

Philadelphia is known for many things, but what sets the city apart are the sandwiches! The neighborhood spots that are famous for slinging the best hoagies, cheesesteaks and roast pork sandwiches have made them legendary. By honoring these iconic flavors in a form that is meant to be squeezed, dribbled, and doused, you can add a taste of Philly onto almost anything you make. Cherry Pepper Mayo brings the sweet heat, as the perfect complement to any savory dish. Long Hot Pepper Mayo, emphasis on the HOT, boasts a spicy tangy flavor as versatile as the beloved Italian Long Hot Pepper itself.

## DUFFY'S

### CRUMPETS

A crumpet is a small griddle cake made from an unsweetened batter of water or milk, flour and yeast, most often eaten in the United Kingdom, the Republic of Ireland, Canada, and Australia. Duffy's Crumpets are a taste of UK made in the US. These fat-free, sugar-free crumpets are the perfect companion to your daily coffee (or tea). Toast until crunchy and golden brown. Then cover with your favorite spread.

## VAN LEEUWAN

### ICE CREAM

Van Leeuwen Ice Cream was started in a yellow truck on the streets of NYC in 2008 with a mission to make good ice cream that makes you feel good. Nowadays, people can spend so much time on what's "healthy" they don't stop to consider what's healthy. What could be happier than that magic combination of milk, cream, eggs, and cane sugar (or coconuts, cashews and oats for our vegan friends)? Yes, Van Leeuwen Ice Cream has fat and that's okay Good is simple ingredients. If it's tough to pronounce, it's probably tough to digest. Good is harmonious ingredients. Van Leeuwen seeks to satisfy omnivores and vegans alike. This is their way. The good way. The Van Leeuwen way. Not just the best way to make ice cream, but to live.

## ICENOVA

### FRIED CHICKEN ICE CREAM

This NEW fried chicken ice cream combines sweet, creamy, and crunchy for the ultimate summer treat! This is a flavor twist you won't forget— don't worry, it doesn't taste like chicken! It is only shaped like a drumstick...it's basically a vanilla ice cream bar with a chocolate bone coated with a sweet corn flake crust. These innovative little snacks are made in Japan and will be the hit of every summer get together!

**THE LITTLE SHEEP  
OF NEW ZEALAND  
SAUVIGNON BLANC**

750 mL

The Sauvignon Blancs from New Zealand are unlike those from anywhere else in the world. In New Zealand, the purity and intensity of the light and the cool sea breezes develop unique flavors. From Marlborough, New Zealand's most prestigious viticultural region, comes this intense and racy Sauvignon Blanc with flavors of gooseberries, passion fruit and guava.

**LA BONNE VIE  
ORIGINAL  
GOAT CHEESE  
AUTHENTIC  
CHEVRE**

4 oz.

Bright, tangy fresh goat cheese is a natural match for a crisp Sauvignon blanc. The wine's lively acidity and notes of citrus and tropical fruit lift the creamy texture and gentle tang of the cheese, creating a clean, refreshing finish. Each sip and bite highlight the other without overpowering the palate.
