Sirloin steaks provide large cuts and they are the cheapest of the premium steaks while still being deee-licious! For this reason, they are one of the most favored varieties of steaks for family get-togethers and backyard barbeques.

NEW BULK CONFECTIONS!

Did you know that all the items sold in our BULK department have been carefully curated by the FOODIES at Leon's? Whether they are nuts, dried fruits, chocolates or other confections each vendor that we buy from is carefully evaluated for the way their products are made and the ingredients used in them. That is why when we introduce a new line of confections in the BULK department that is not something we take lightly! This week the FOODIES at Leon's are introducing a new line of confections from Sweet Candy Company.

Sweet Candy Company is one of the oldest candy companies in the United States. Beginning with salt water taffy and cinnamon bears, they have been making candy since 1892. Now they are a fifth generation, family-owned and operated business that distributes more than 250 quality bulk candy items nationally and internationally.

Sweet Candy Company makes it easy to feed your inner child with favorites like their delectable salt water taffy. Introduced in 1910, this world-famous, gourmet taffy is markedly different from the version of salt water taffy known all along the Eastern sea shore. Sweet's Salt Water Taffy is whipped, not pulled, allowing for a flavorful, less sticky, softer piece of taffy.

Sweet's hot and spicy Cinnamon Bears have earned the reputation of being the country's "BEST" cinnamon bear. These cute bears pack just the right amount of cinnamon punch in each bear and are made with non-GMO ingredients with no artificial colors or flavors.

One bite into one of these mouthwatering favorites and you'll be flooded with your favorite childhood memories. You're never too old for a nostalgic treat and that's just another reason why some days being average just isn't good enough, that's when you come to

USINGER'S COOKED BRATWURST

For over 140 years the Usinger family has been making sausage the way Frederick Usinger did back in 1880: with pride, precision, and a whole lot of flavor! This traditional German-style Bratwurst is made with pork and veal then stuffed into natural casings. This finely ground, thoroughly cooked link sausage has a white appearance because it is not smoked. The Old World favorite. Delicious whether grilled or browned in a frying pan.

POP DADDY PRETZELS

Pop Daddy Snacks was founded by Mark and Erin Sarafa, in 2018. The Pop Daddy's Seasoned Pretzel business was born when Erin's cousin was visiting from Iowa and brought over a nicely packaged Tupperware of her homemade seasoned pretzels as a gift. The family loved them and began making them at home for personal consumption. Mark brought some to work, and the Pop Daddy employees loved them so much, they convinced Mark to package and sell them. Today, Pop Daddy Snacks offers over 25 flavors of unique seasoned pretzel flavors!

JAMIE'S FARM SMALL BATCH GRANOLA

After working at a 3 Michelin star restaurant and struggling to find a quality granola, Jamie set out to elevate the humble pantry staple with true culinary craft. Unlike other granola brands that bake with oil, Jamie's uniquely bakes granola with grass-fed ghee. This technique creates a signature buttery, caramelized depth and a cookie-like crunch for people who crave both nourishment and indulgence. From their choice to bake with grass-fed ghee to their sophisticated, chef-driven flavors, Jamie's Farm is here to make granola more delicious, nourishing, and thoughtful.
