PICK A CHICK

Did you know that the FOODIES at Leon's are keenly aware just how BUSY our customers are these days? We often hear appreciation for our prepared meal replacements. It also seems that with today's extra busy lifestyles that the need for them is only growing. When we decided to offer meal replacements at Leon's, everyone in the Stage Door Deli agreed with Deli Manager/Chef Marcus Rekart that they should be made the "Leon's way" which is "made from scratch" using the freshest seasonal ingredients.

That is why this week we have decided to feature a few of them in our ad. We also understand the need for these meal solutions to be healthy, tasty and a value... especially in today's economy. This week we wanted to showcase one of our favorites that we think checks all the boxes! It is easy, wholesome and healthy for those days when you need a fast dinner (or lunch) but you still want it to taste great.

At Leon's we have always carried our version of "made from scratch" Classic Chicken Salad. A few years ago when we combined with Ideal Market, we added their Cranberry Walnut Chicken Salad to our lineup. Then the FOODIES in the deli took over and added the Curried Chicken Salad to our line up. Now those three have become standards that you can pick up every day. Made fresh, right in the Stage Door Deli. That is why some days being average just isn't good enough, that's when you come to
