SAVE BIG WITH MEGA MEAT SALE!

Did you know that the MEGA meat sale is one heckuva sale? Every year a few months before summer grilling season gets into full swing, our famous Butcher Block Meat Department runs a terrific sale on our USDA Choice "Aged to Perfection" meats and our premium Pork.

The word MEGA refers to both the amount of fabulous Leon's meat you get and the amount of money you save. By buying a larger amount of meat at one time, you save **more than \$2.00/LB. off our usual sale prices!**

The big pieces of meat are also more convenient because our butchers will cut it the way you like, cut it the thickness you like and then wrap it the way you like. This makes the meat freezer ready!

This is a great sale so take advantage of it today, for your convenience call ahead to eliminate your wait in the store 402-488-2307. Some days being average just isn't good enough, that's when you come to

DAVE'S BUTTERNUT SQUASH

The first of its kind, Dave's all natural butternut squash pasta sauce is made with squash ripened in Oregon's Willamette Valley. Paired with fresh garlic, onions, and roasted red pepper, the natural sweetness and delicate flavor of the butternut squash is enhanced to provide a delicious change of pace. Tortellini, Ravioli, & Lasagna never knew they could taste so great!

SUN GHEE GRASS-FED CLARIFIED BUTTER

Clarified butter or GHEE is made by separating butterfat from the milk solids and water in butter. Because the milk solids have been strained out, ghee has a much higher smoking point (465°F) than butter (302°F), and can be stored in a pantry when unopened, just like oil, because it's almost all fat. Both are solid at room temperature and, nutritionally, ghee and butter are almost identical—deriving almost 100% of their calories from fat. But, because ghee is clarified, it contains neither casein (the dominant protein in milk) nor lactose, making it easier for those with lactose intolerance to digest. The FOODIES at Leon's think Sun Ghee is the best tasting ghee on the market and it is also both better for you, and better for the farms it is sourced from.

Available in Aleppo Chili, Rosemary and Sage or Chives, Tarragon & Parsley.
