This restaurant quality steak is hand trimmed in the store by our Butcher Block meat cutters. At Leon's we age our all our beef for a minimum of 21 days, allowing the flavor to fully develop. Leon's steaks are super tender, well-marbled, and buttery. Pick up your New York from Leon's today for a restaurant-quality steak!

NEW! SARO CIDER SPICED APPLE CIDER BRATS

Did you know that nothing is more SCARY than not having great food at the ready before all the trick-or-treating on Halloween? The FOODIES at Leon's know from experience that whether you are celebrating with family, friends or neighbors...you will want to eat something (besides sugar) before the big night begins. Why not try our Ghost Pepper or our new Spiced Apple Cider Brats?!

This year the FOODIES have teamed up with our friends at Saro Cider from right here in Lincoln to bring you a limited-time seasonal flavor: Spiced Apple Cider Brats. Handmade right in-house at Leon's, these links combine savory goodness with a subtle touch of autumn sweetness from the spiced cider. It's the ultimate sweet-and-savory combo.

Then there is the Ghost Pepper Brat. Although the name makes it sound spooky, it comes with a level of heat that you notice but will still actually enjoy. All our brats at Leon's are made from scratch using only Butcher Block pork and real ingredients by Leon's Butchers. They are easy to cook up in a hurry and sure to dazzle all your guests!
